Richard Garrison is a passionate, all-in consultant who treasures the opportunity to help clients enhance their leadership team and transform their organizational execution. He has 30+ years of management experience in engineering, manufacturing, and technical operations, as well as a B.S. in mechanical engineering and an M.S. in management science. He's helped Marriott reach their highest guest satisfaction level in company history, and McKenney's Contracting get their highest results in 60 years. Richard has been with FranklinCovey for 11 years, and is Total Quality Management and ISO 9001 certified, as well as receiving Performance Coach Certification from Johnson & Johnson's Human Performance Institute.

## CERTIFIED TO DELIVER
