SUMMER CLIENT REWARDS

## SUMMER CLIENT REWARDS

For many of us, summer is a time for BBQ's, vacations, and family-and-friend gatherings. This much-needed season helps us maintain and renew these personal relationships so dear to us. However, it seems like there is never a dedicated season to renew our work relationships. Truth is, many of us often spend more time at work than we do at home, so renewing these professional relationships is critical to our success and happiness at work.

As a facilitator, we recognize your dedication to the principles you teach and the role you play in helping others renew during your FranklinCovey work sessions. We hope you find value in the carefully curated selection of rewards to help in your role as a facilitator, as well as your own internal employee incentives and participant giveaways. These rewards are available with any qualifying purchase through Thursday, August 31, 2017.

I encourage you to invest the time necessary to renew your work relationships; we are certain you will realize the benefits from such an investment. Please reach out to your client partner or our client facilitator White Glove Concierge Service at [whiteglove@franklincovey.com](mailto:whiteglove@franklincovey.com) with any questions about this offer.

Best!
