Kory Kogon is FranklinCovey's global vice president of field development and is a senior leadership consultant. She is coauthor of the *The Wall Street Journal* bestseller, *The 5 Choices: The Path to Extraordinary Productivity*, in addition to *Project Management for the Unofficial Project Manager*, and *Presentation Advantage*.

Kory has been featured on Inc.com and on its "Productivity Playbook" online series, Fast Company.com, Forbes.com, and in Investor's Business Daily. She has also appeared on NBC's *Today with Kathie Lee and Hoda*.

Kory's current role focuses on ensuring the strong capabilities of FranklinCovey's sales, implementation, and consulting teams to drive business development, and customers for life. She brings more than 25 years of business expertise from frontline positions to serving as an executive team member for a global franchise organization. This provides her a unique perspective on the application of FranklinCovey's world-renowned content within organizations. Kory not only understands the strategy and principles necessary to build great leaders, systems, and winning cultures, but she understands how FranklinCovey's blended learning offerings deliver practical solutions that enable the behavior changes required for transformational results in organizations.
