4DX with a major  
Canadian energy  
company to  
become the  
lowest cost  
producer and  
most reliable

Kelly Smith is one of Franklin Covey's most sought-after senior consultants. For 29 years with Franklin Covey, clients from around the globe have engaged Kelly to develop their leaders and to achieve significant business results through the execution of strategy. A recent client attributed \$42M in annual cost savings where Kelly implemented Franklin Covey's, The 4 Disciplines of Execution. Another recent client achieved their highest customer satisfaction score through Kelly's consulting support. Kelly graduated with a B.Sc. in Geology from Brigham Young University. He worked in the Canadian energy industry for nine years. Kelly was the managing partner in a Franklin Covey affiliated consulting firm for four years. In 1997 Kelly became the first leader of the Western Canadian team for the newly merged Franklin Covey Canada. He currently serves as a senior consultant working directly with clients to deliver outstanding results. An avid outdoorsman, Kelly has spent hundreds of days in the Canadian Rockies, hiking, skiing, camping, mountain biking, spelunking, and tree climbing (grizzly avoidance strategy). He now runs a "ski school" for his grandkids.
