Having worked in management, marketing, sales, and entrepreneurial roles, Cameron understands the needs of an organization from many angles. Cameron was the Director of Marketing for Stephen MR Covey and the company's Trust Practice, where he helped to develop their messaging and marketing initiatives. Cameron also worked in sales and consulting roles and helped launch FranklinCovey's State & Local Government team. Cameron has worked with teams and leaders across North America and in Europe, in both the public and private sectors including state and federal agencies as well as tech, construction, manufacturing, retail, and healthcare.

Prior to his work with FranklinCovey, Cameron built and managed a successful start-up, where he had responsibility for all aspects of a rapidly growing organization – including strategy, hiring, training, marketing and client service. A self-described “leadership junkie,” Cameron has studied leadership development from a young age and with his dynamic and engaging style, is able to “unfold” FranklinCovey's solutions in an approachable way that resonates with senior leaders down to front-line employees.
