# Haydn Shaw

Chicago, Illinois

Haydn Shaw has been with FranklinCovey for 30+ years and has spoken to over 200,000 people and worked with more than 1,500 businesses, not-for-profit organizations, and governmental agencies. He has worked with groups from the front line to the board room. The results from his long-term organizational development and change projects have been written up in case studies.

Haydn is the author of the book *Sticking Points: How to Get 5 Generations Working Together in the 12 Places They Come Apart* (2nd edition). Haydn speaks and consults over 100 days each year to clients who invite him back. The *Washington Post* called him a “leadership guru.” *TIME* called him “an expert in cultural differences at the office.”

Haydn received the Certified Speaking Professional designation, which is only given to 15% of the speakers and trainers in the world. He made all four of his children attend 7 Habits of Highly Effective People before they attended college. They all thank him now.
