

## Executive Coach

# Bobby Quinten, PCC

Dallas, Texas

Bobby provides future-oriented, solutions-focused, strengths-based coaching for leaders and their teams. With more than 25 years of experience as a corporate business leader, learning leader, and executive coach, Bobby brings understanding and empathy to every coaching engagement. In his community, Bobby also is well-regarded for delivering effective leadership with government boards and nonprofit organizations.

Bobby's corporate background includes senior level roles at Builders FirstSource and Greyhound Lines. Among his career achievements, Bobby led holistic culture change strategies that significantly reduced customer complaints, lowered safety incidents and costs, improved community engagement, and created a more respectful workplace environment for all. He has provided consulting and coaching to Corporate and Regional VPs, Directors, department heads, small business owners, and high-potential managers across multiple functional areas such as operations, marketing, sales, finance and accounting, shipping, human resources, IT, municipal regulatory compliance, and customer service.

## What clients say about Bobby

*"I have had the pleasure of working with Bobby over the last several years, most recently as a coach for myself and several of my senior leadership peers. During our time working together, Bobby demonstrated exceptional and valuable insights and provided detailed follow through to keep us on track with our coaching. He consistently exceeded my expectations, and I credit him for the successes of leading my team. Bobby was always available whenever he was needed and was professional, personable, and collaborative. Bobby will remain a business partner to my organization, and I am confident that he will continue to go above and beyond when we need his assistance and guidance." SVP, Chief HR Officer*
